

# Index

## A

### Accounts:

- corporate, 141
- customer, 132, 138–142
- discretionary, 141–142
- foreign, 145–146
- individual, 139
- joint tenants in common, 140
- joint tenants with rights of survivorship, 140
- margin, 60
- new, 138–139
- omnibus, 129
- one-way, 130
- partnership, 141
- transfer on death, 140

Agricultural commodities, 27

Agricultural futures pricing, 46

All or none (AON) orders, 20

Analyzing spreads, 107

Annual compliance questionnaire, 146

AON (all or none) orders, 20

Arbitration, 142–144

Associated person (AP):

- aiding in money laundering, 145
- defined by NFA, 129
- and discretionary accounts, 141–142
- on joint accounts, 140

At the money options, 98, 119

Australian dollar, 39

Awards, under arbitration, 144

## B

Backwardation, 45

Basis (term), 69, 72–74

Basis grade, 8–10

Basis orders, 24–25

Basis price, 72–74

Bear call spreads, 110–112

Bearish options, 89

Bearish reversals (chart pattern), 48

Bear put spreads, 113–114

Beneficiary(-ies), 140

Beta hedges, 76

Breakeven:

- for bear call spreads, 111–112
- for bear put spreads, 114
- for bull call spreads, 109
- for bull put spreads, 116
- for long calls, 91–92
- for long puts, 95
- for long straddle, 102–103
- for short calls, 93–94
- for short puts, 96–97
- for short straddle, 104–105

British pound, 39

Brokers:

- floor, 5
- guaranteed introducing, 130
- introducing, 130, 150

Bull call spreads, 107–110

Bullish options, 88–89

Bullish reversals (chart pattern), 48

Bull put spreads, 115–117

Bunched orders, 25

Business continuity plans, 150

Buyers, of options, 89

Buy limit orders, 16

Buy stop orders, 18

## C

Calendar spreads, 106–107

Call options, 87

buying, 90–92

covered, 118

on futures contracts, 63

naked, 92–93

selling, 92–94

uncovered, 92–93

Canadian dollar, 39

Cancels former order (CFO) orders, 23

Carrying charge, 44

Carrying charge market, 43

Cautionary Statement, 132

CBOT, *see* Chicago Board of Trade

CFO (cancels former order) orders, 23

CFTC, *see* Commodity Futures

Trading Commission

Chicago Board of Trade (CBOT):

- daily price limit expanded by, 32
- grain supply reported by, 46

Chicago Mercantile Exchange

(CME):

- foreign currency futures on, 38
- margin requirements set by, 32
- as self-regulatory organization, 127

Clearing firms, 129

Clearinghouses, 5–7

Clearing member margin, 7–8

Closing out the position, 90

CME, *see* Chicago Mercantile

Exchange

Commissions, 26–27

Commodity Exchange Act of 1936, 127–129

Commodity futures, trading, *see* Trading commodity futures

- Commodity Futures Trading  
 Commission (CFTC):  
 daily price limits reviewed by, 32
